CARNIVAL BOOTHS

Complete the ambience at any carnival or carnival-themed party with our colorful, old fashioned-style carnival booths. A perfect showcase to place your carnival games, fun foods, arts & crafts, photo centers, etc. Choose from our classic striped facades or super deluxe booths with back panels.

DUNK TANK

We provide the tank. You provide the dunker! The ever-popular dunk tank is always a huge hit at corporate picnics, fund raisers & private parties. Contestants ready their pitching arms & take aim at a target in an attempt to drop the dunker in a tank filled with water. Great fun for great sports! A huge money maker at fundraisers!

HIGH STRIKERS

Step right up. Test your strength. Hit the target with the giant mallet & ring that bell at the top of the striker. A classic carnival attraction. Available in kid & adult sizes.

MILK THE COW CONTEST

A true test for the city folk! Two contestants sit on a wooden stool with a bucket on either side of Elsie, our double-sided wooden cow. Simulating the actual act of milking a cow, they squeeze Elsie's rubber udders & race to see who can fill his or her bucket faster. Hilarious fun. The hottest game around!
